

# Teacher Availability

Updated  
September 24, 2020

All teachers are looking forward to returning to KMAC for weekly lessons! Until that's possible, we'll update this page as necessary. More online lessons are moved to in-person each month, so check back often for the latest info.

Read our [COVID-19 Policy](#) for details on in-person lessons

Click on a teacher's name for their bio and email address. Contact them directly to confirm availability and request a consultation. You can also reach out to the main office at [info@KMACenter.org](mailto:info@KMACenter.org) or 717-737-5622 with other questions.
